

Carl Soriano

+1 (306) 750-3221 • Calgary, AB • carljohng.soriano@gmail.com

Software engineering student seeking to gain experience and skills through an internship this summer to further progress my career and knowledge in my profession.

SKILLS

- **Technical Skills:** MicrosoftOS, MacOS, Office 365, Teams, Zoom.
Experience with working with the Microsoft System and as well as Mac. Have worked with Word, Excel and Powerpoint on various school projects. Worked with Teams and Zoom throughout the school semester.
- **Computer-Aided Design:** AutoCAD, and Fusion360.
Had the opportunity to take drafting all throughout high school in which we used AutoCAD as our platform to create multiple designs such as tables and screws. Worked with Fusion360 in first-year university to design working/rotating objects.
- **Languages:** Basic knowledge of Python, Currently in pursuit of learning HTML and CSS.
Worked with Python3 in first year to create basic codes to set the foundation in programming. Presently, learning both HTML and CSS to build into my software engineering career.
